

# DEARLY BELOVED

*Dearly beloved, we have gathered here today To get through this thing called life  
Electric word life it means forever and that's a mighty long time But I'm here to tell you  
there's something else The afterworld, a world of never ending happiness You can  
always see the sun, day or night So when you call up that shrink in Beverly Hills You know  
the one Dr. Everything'll Be Alright Instead of asking him how much of your time is left?  
Ask him how much of your mind, baby 'Cause in this life things are much harder than in  
the afterworld This life you're on your own And if the elevator tries to bring you down  
Go crazy .*
